Teaching, Learning, and Research Julie A. DeCesare, 2014-03-27 According to a 2012 Ithaka study 80 percent of faculty in the humanities and 70 percent in social sciences use video film and non textual resources for teaching undergraduates Streaming video is not simply an accommodation to distance learners rather it s an expectation for the curriculum and a valuable tool for teaching critical thinking skills analysis and the use of primary sources This issue of Library Technology Reports will help you recommend high quality video resources for faculty and researchers with information on 75 YouTube channels for teaching learning and research 11 interdisciplinary video and multimedia sites with annotations on features and content 6 open access course collections 5 university channels and collections Using video with Moodle Sakai LibGuides or WordPress Mass market video sites that offer library friendly business models **The Flesh of Animation** Sandra Annett, 2024-04-30 How animation can reconnect us with bodily experiences Film and media studies scholarship has often argued that digital cinema and CGI provoke a sense of disembodiment in viewers they are seen as merely fantastic or unreal In her in depth exploration of the phenomenology of animation Sandra Annett offers a new perspective that animated films

and digital media in fact evoke vivid embodied sensations in viewers and connect them with the lifeworld of experience Starting with the emergence of digital technologies in filmmaking in the 1980s Annett argues that contemporary digital media is indebted to the longer history of animation She looks at a wide range of animation from Disney films to anime electro swing music videos to Vocaloids to explore how animation through its material forms and visual styles can evoke bodily sensations of touch weight and orientation in space Each chapter discusses well known forms of animation from the United States France Japan South Korea and China examining how they provoke different sensations in viewers such as floating and falling in Howl s Moving Castle and My Beautiful Girl Mari and how the body is mediated in films that combine animation and live action as seen in Who Framed Roger Rabbit and Song of the South These films set the stage for an exploration of how animation and embodiment manifest in contemporary global media from CGI and motion capture in Disney s live action remakes to new media installations by artists like Lu Yang Leveraging an array of case studies through a new approach to film phenomenology *The Flesh of Animation* offers an enlightening discussion of why animation provides a sensational experience for viewers not replicable through other media forms *Unofficial Guide to Universal Orlando 2020* Seth Kubersky,2019-12-17 THE Comprehensive Guide to Universal Orlando The Unofficial Guide to Universal Orlando by Seth Kubersky is packed with detailed specific information on every ride show and restaurant in the resort including insider details on Harry Potter s Hogsmeade and Diagon Alley as well as the new waterpark Volcano Bay Compiled and written by a former Universal Orlando employee and based upon decades of research from a team whose work has been cited by such diverse sources as USA Today and Operations Research Forum The Unofficial Guide to Universal Orlando provides step by step detailed touring plans that allow you to make the most of every minute and dollar during your Universal Orlando vacation The guide includes info on where to find the cheapest Universal Orlando admission tickets how to save big on Universal on site hotel rooms and skip the regular lines in the parks when to visit Universal Orlando for the lightest crowds and everything else you need to know for a stress free Universal Orlando experience *Mass Communication in India, Fifth Edition* Keval J. Kumar,2020-12-10 Third Completely Revised and Updated EditionMass Communication in India is a result of the author s in depth study and understanding of the media The book deals with a general introduction to Communication Theory Advertising Television Effects of Media and Development In short the book is designed to give the student of Mass Communication a general and comprehensive view of the modern and traditional media in India It meets the objective of being a text book as well as a book that gives an overview of mass communication in India **Hybrid Images and the Vanishing Point of Digital Visual Effects** Tom Livingstone,2024-07-04 Tackling digital effects such as colourisation time ramping compositing and photo realistic rendering this monograph explores how the growing use of these post photographic procedures shapes our relationship with the image and the world that the image represents At stake is the ability to critically engage with the digital techniques that mediate perceptions of reality Through a series of case studies the book connects the

dominant techniques of hybridisation with emergent ways of being in our increasingly hybrid physical digital world Pointing at the relationship between mainstream visual culture and the manifold imperatives of digital technology and digital culture Hybrid Images and the Vanishing Point of Digital Visual Effects highlights how a handful of digital visual effects are coming to shape the way we live
