**Transnational Zombie Cinema, 2010 to 2020** John R. Ziegler, 2023-10-02 Transnational Zombie Cinema 2010 to 2020 Readings in a Mutating Tradition examines selected films produced outside the United States in the second decade of the millennial zombie renaissance following the global effects of the Great Recession These readings analyze how the films adapt the zombie myth to localized anxieties pertaining to neoliberal capitalism globalization gender and sexuality national identity history and trauma and self definition within and without culture and social institutions In tracing these variations John R Ziegler investigates not only better known films such as South Korea's Train to Busan 2016 and Cuba's Juan of the Dead 2011 but also lesser known examples such as Malaysia's KL24 Zombies 2017 Italy's The End 2017 and India's Rise of the Zombie 2010 These films Ziegler argues demonstrate the continued significance of the zombie as a flexible powerful tool for thinking about contemporary concerns across the globe and suggest that the zombie myth still has plenty of undead life in it as it continues to mutate and circulate in transnational cinema The Palgrave Handbook of the Zombie Simon
