Drum ,2009 Who Do the Ngimurok Say That They Are? Kevin P. Lines,2018-04-12 How do missiologists describe the cosmologies of those that Christianity encounters around the world Our descriptions often end up filtered through our own Western religious categories Furthermore indigenous Christians adopt these Western religious categories This presents the problem of local Christianities described by Kwame Bediako as those that have not known how to relate to their traditional culture in terms other than those of denunciation or of separateness Kevin Lines s phenomenological study of local religious specialists in Turkana Kenya not only challenges our Western categories by revealing a more authentic complexity of the issues for local Christians and Western missionaries but also provides a model for continued use of phenomenology as a valued research method in larger missiological studies Additionally this study points to the ways that local Christians and traditional religious practitioners interpret Western missionaries through local religious categories Clearly missionaries missiologists anthropologists and religious studies scholars need to do a much more careful job of studying and describing the contextually specific phenomena of traditional religious specialists before relying on meta categories that come out of our Western theology or older overly simplified ethnographies The research from this current study of Turkana religious

specialists begins that process in the Turkana context and offers a model for future studies in contexts where traditional religion and Christianity intersect **Unkulunkulu** Canon Callaway, 2022-05-06 Reprint of the original first published in 1868 **Publications** Folklore Society (Great Britain), 1884 Bantoe ,1976 Fodor's South Africa Fodor's Travel Publications, Inc., 2007-12-01 Detailed and timely information on accommodations restaurants and local attractions highlight these updated travel guides which feature all new covers a two color interior design symbols to indicate budget options must see ratings multi day itineraries Smart Travel Tips helpful bulleted maps tips on transportation guidelines for shopping excursions and other valuable features Original *Zulu Thought-patterns and Symbolism* Axel-Ivar Berglund, 1976
