## Ambassador 4 Coming Home:

*Coming Home* Patty Jansen, 2015-12-08 The world as we know it is on a certain path to war Delegate Cory Wilson has returned to gamma headquarters from deep space with a rather unwelcome guest Captain Kando Luczon of the mammoth Aghyrian ship that has returned after mysteriously vanishing 50 000 years ago On board the ship only 400 years have passed in which they have visited another galaxy But the captain isn't willing to share what they found there or why they decided to come back In fact the captain does his utmost best to live up to his infamous historical reputation as an utter jerk having lived through four hundred years to cultivate his jerkery Cory had hoped that by isolating the captain from his ship mostly still in stasis mode he could start a conversation but Kando Luczon isn't interested in a conversation He views the modern version of his home world Asto as inferior its inhabitants the Coldi as nothing but a placeholder race and all other races as savages Meanwhile the ship is showing signs of waking up ancient satellites in orbit in the space junk clouds around Asto and Ceren sputter into life and Asto's Chief Coordinator and Cory's friend Ezhya Palayi makes it clear that if pushed Asto's formidable military fleet will take defensive action

**Coming Home to the Third Reich** Grant W. Grams, 2021-09-21 During the 1930s Germany's industrialization rearmament and economic plans taxed the existing manpower forcing the country to explore new ways of acquiring Aryan German labor Eventually the Third Reich implemented a return migration program which used various recruitment strategies to entice Germans from Canada and the United States to migrate home It initially used the Atlantic Ocean to transport German speakers but after the outbreak of World War II German civilians were brought from the Americas to East Asia and then to Germany via the Trans Siberian Railway through the Soviet Union Germany's attack on the Soviet Union in June 1941 ended this overland route but some Germans were moved on Nazi ships from East Asia to the Third Reich until the end of 1942 This book investigates why Germans who had already established themselves in overseas countries chose to migrate back to an oppressive and authoritarian country It sheds light on some aspects of the Third Reich's administration goals and achievements associated with return migration while also telling the individual stories of returnees
