Inga Clendinnen

Ambivalent Conquests

Ambivalent Conquests Inga Clendinnen, 1987-05-28 This is both a specific study of conversion in a corner of the Spanish Empire and a work with implications for the understanding of European domination and native resistance throughout the colonial world Dr Clendinnen explores the intensifying conflict between competing and increasingly divergent Spanish visions of Yucatan and its destructive outcomes She seeks to penetrate the ways of thinking and feeling of the Mayan Indians in a detailed reconstruction of their assessment of the intruders

Ambivalent Conquests Inga Clendinnen, 2003-04-28 This is both a specific study of conversion in a corner of the Spanish Empire and a work with implications for the understanding of European domination and native resistance throughout the colonial world Dr Clendinnen explores the intensifying conflict between competing and increasingly divergent Spanish visions of Yucatan and its destructive outcomes She seeks to penetrate the ways of thinking and feeling of the Mayan Indians in a detailed reconstruction of their assessment of the intruders

Ambivalent Conquests Inga Clendinnen, 2003-05-19 In what is both a specific study of conversion in a corner of the Spanish Empire and a work with implications for the understanding of European domination and native resistance throughout the colonial world Inga Clendinnen explores the intensifying conflict between competing and increasingly divergent Spanish visions of Yucatan and its destructive outcomes In Ambivalent Conquests Clendinnen penetrates the thinking and feeling of the Mayan Indians in a detailed reconstruction of their assessment of the intruders This new edition contains a preface by the author where she reflects upon the book's contribution in the past fifteen years Inga Clendinnen is Emeritus scholar LaTrobe University Australia Her books include the acclaimed Reading the Holocaust Cambridge 1999 named a Best Book of the Year by the New York Times Book Review and Aztec An Interpretation Cambridge 1995 and Tiger's Eye A Memoir Scribner 2001

The Saga of Acculturation in Spanish America Jared William Carter, 2015-01-09 Shows the saga of acculturation in Spanish America

Ethnopornography Pete Sigal, Zeb Tortorici, Neil L. Whitehead, 2019-12-13 With topics that span the sixteenth century to the present in Latin America the United States Australia the Middle East and West Africa the contributors show how ethnopornography the eroticized observation of the Other for supposedly scientific or academic purposes is fundamental to the creation of race colonialism and archival and ethnographic knowledge

A History of Latin America to 1825, 2009-12-21 The updated and enhanced third edition of A History of Latin America to 1825 presents a comprehensive narrative survey of Latin American history from the region's first human presence until the majority of Iberian colonies in America emerged as sovereign states c 1825 This edition features new content on the history of women gender Africans in the Iberian colonies and pre Columbian peoples Includes more illustrations to aid learning over 50 figures and photographs several accompanied by short essays Concentrates on the colonial period and earlier expanding coverage of the period and incorporating more social and cultural history with the political narrative Part of The Blackwell History of the World Series

The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production *Structures of Feeling in Seventeenth-Century Cultural Expression* Susan McClary,2013-03-04

Between the waning of the Renaissance and the beginning of the Enlightenment many fundamental aspects of human behaviour from expressions of gender to the experience of time underwent radical changes While some of these transformations were recorded in words others have survived in non verbal cultural media notably the visual arts poetry theatre music and dance *Structures of Feeling in Seventeenth Century Cultural Expression* explores how artists made use of these various cultural forms to grapple with human values in the increasingly heterodox world of the 1600s Essays from prominent historians musicologists and art critics examine methods of non verbal cultural expression through the broad themes of time motion the body and global relations Together they show that seventeenth century cultural expression was more than just an embryonic stage within Western artistic development Instead the contributors argue that this period marks some of the most profound changes in European subjectivities

Peru's Indian Peoples and the Challenge of Spanish Conquest Steve J. Stern,1993 This second edition of Peru's Indian Peoples and the Challenge of Spanish Conquest includes Stern's 1992 reflections on the ten years of historical interpretation that have passed since the book's original publication setting his analysis of Huamanga in a larger perspective This book is a monument to both scholarship and comprehension comparable in its treatment of the indigenous peoples after the conquest only to that of Charles Gibson for the Aztecs and perhaps the best volume read by this reviewer in several years Frederick P Bowser American Historical Review Peru's Indian Peoples and the Challenge of Spanish Conquest is clearly indispensable reading for Andeanists and highly recommended to ethnohistorians generally In technical respects it is a job done right and conceptually it stands out as a handsome example of anthropology and history woven into one tight fabric of inquiry Frank Salomon Ethnohistory **Archive** ,2002 *Cooperation and Empire* Tanja Bührer,Flavio Eichmann,Stig Förster,Benedikt Stuchtey,2017-08-01 While the study of indigenous intermediaries is today the focus of some of the most interesting research in the historiography of colonialism its roots extend back to at least the 1970s The contributions to this volume revisit Ronald E Robinson's theory of collaboration in a range of historical contexts by melding it with theoretical perspectives derived from postcolonial studies and transnational history In case studies ranging globally over the course of four centuries these essays offer nuanced explorations of the varied complex interactions between imperial and local actors with particular attention to

those shifting and ambivalent roles that transcend simple binaries of colonizer and colonized ***Mexico*** Paul Gillingham,2025-11-18 From acclaimed and prize winning historian Paul Gillingham a rich and vibrant history of one of the world's most diverse politically ground breaking and influential of countries At the beginning of his masterful work of scholarship and narration Paul Gillingham writes from its outset Mexico was more profoundly globally hybrid than anywhere else in the prior history of the world Over the ensuing five centuries Mexicans have prefigured and shaped the course of human lives across the globe Gillingham begins in 1511 with the dramatic shipwreck of two Spanish sailors in the far south of Mexico Ten years later Hernán Cortés led an army of European adventurers and indigenous rebels to seize the legendary island city of Tenochtitlán the center of Montezuma's empire the largest in the Americas The capture of the future Mexico City was more than an extraordinary military event the collision of two long separated worlds radically different in everything from biota to urban planning Spaniards discovered tomatoes chocolate and a city larger and more sophisticated than anything they had ever seen Mexicans discovered horses wheels and lethal germs sparking a cataclysmic century of disease that wiped out a majority of the pre-existing population and led to a unique recombination of European and indigenous cultures The industrial mining of Mexico's silver transformed the wealth and trade of the world Mexico's independence from the Spanish Empire in 1821 led to a calamitous mid century war with the United States and one of the first great social revolutions that brought peace for Mexicans throughout many of the global horrors of the 20th century before the country itself collapsed into the violence of the cartels and a refugee crisis in the 2000s The history of Mexico has been Gillingham shows one of suffering empire but also of overcoming Through it all the country set new standards for inclusivity for progressive social policies for artistic expression for adroitly balancing dictatorship and democracy While racial divides endured so too did indigenous peoples who enjoyed rights unthinkable in the United States Mexico was among the first countries to abolish slavery in 1829 and Mexicans elected North America's first Black president Vicente Guerrero its only indigenous president Benito Juárez and its only woman president Claudia Sheinbaum As elegantly written as it is powerful in scope rich in character and anecdote Mexico uses the latest research to dazzling effect showing how often Mexico has been a dynamic and vital shaper of world affairs ***Rereading the Conquest*** James Krippner-Martínez,2001 The book offers a fresh look at religion politics and the writing of history by employing a poststructuralist method that engages the exclusions as well as the content of the historical record The moments of doubt contradiction and ambiguity thereby uncovered lead to deconstructing a coherent conquest narrative that continues to resonate in our present age **BOOK JACKET**

International Christian Literature Documentation Project Douglas W. Geyer,1993 ***Women, Conquest, and the Production of History*** Virginia Marie Bouvier,1995 ***In the Land of Cortés and Malinche*** ,1993 ***Women and the Conquest of California, 1542-1840*** Virginia M. Bouvier,2001 This book tells the hidden story of women during the missionization of California It shows what it was like for women to live and work on that frontier and how race religion age

and ethnicity shaped female experiences It explores the suppression of women s experiences and cultural resistance to domination and reveals the many codes of silence regarding the use of force at the missions the treatment of women indigenous ceremonies sexuality and dreams BOOK JACKET Facing the Spanish Conquest at the Frontiers. The Diaguitas of Catamarca Ana E. Schaposchnik,1998 The Cumulative Book Index ,1989 A world list of books in the English language

Colonial Latin America Mark A. Burkholder,Lyman L. Johnson,2008 Now in its sixth edition Colonial Latin America provides a concise study of the history of the Iberian colonies in the New World from their preconquest background to the wars of independence in the early nineteenth century The new edition of this highly acclaimed text has been revised and updated to reflect the latest scholarship with particular emphasis on social and cultural history It also features a new section on pre Colonial Africa to parallel coverage of pre Colonial Spain and the Americas as well as new maps and illustrations Colonial Latin America Sixth Edition is indispensable for students who wish to gain a deeper understanding of the fascinating and often colorful history of the cultures the people and the struggles that have played a part in shaping Latin America

Images of Conquest James Krippner-Martínez,1993
