## And Grace Notes Readings Fellow Pilgrim:

**A Skeptic's Guide to Faith** Philip Yancey, 2009 For those on the borderlands of belief Philip Yancey confronts questions of faith and religion head on. If this is God's world why doesn't it look more like it? For anyone who's ever wondered if the visible world is all there is for anyone who feels like an empirical understanding of reality is missing something bestselling author and fellow pilgrim Philip Yancey comes beside you to explore this tug between the visible and the invisible. In the gentle understanding voice of one who's been through skepticism Yancey investigates questions like What is the good life? Do my deepest experiences of beauty and pain have meaning? Is there life after death? If God does exist why does this world seem to be coming apart at the seams? Does faith make any difference in my daily life? *A Skeptic's Guide to Faith* previously titled *Rumors of Another World* reads like a conversation inviting those skeptical of religion and turned off by the church to consider the possibility of an unseen world coexisting with our visible world. According to Yancey A thin membrane of belief separates the natural from the supernatural. What makes it so hard for some of us to cross that membrane? Look inside to find out. In this powerful read Yancey tackles the tough questions and in the process comes up with a fresh new approach to this timeless topic.

**Grace Notes** Philip Yancey, 2009-09-21 FOR DISTRIBUTION OUTSIDE THE USA Grace Notes collects 366 powerful daily readings from Philip Yancey's writings including some never before published. These most popular and enduring works communicate Yancey's understanding of God the world and faith. The readings especially touch doubters sufferers the disillusioned and out of the mold believers.

**Prayer** Philip Yancey, 2008-09-09 Philip Yancey probes the very heartbeat of our relationship with God prayer. What is prayer? Does it change God's mind or ours or both? This book is an invitation to communicate with God the Father who invites us into an eternal partnership through prayer. Polls reveal that 90 percent of people pray. Yet prayer which should be the most nourishing and uplifting time of the believer's day can also be frustrating confusing and fraught with mystery. Writing as a fellow pilgrim bestselling author of *What's So Amazing About Grace* Philip Yancey probes such questions as Is God listening? What should I pray for? If God knows everything what's the point of prayer? If my prayers go unanswered is there something wrong with my faith? Why does God sometimes seem close and sometimes seem far away? How can I make prayer more satisfying? In this powerful classic of spiritual insight and investigation Yancey tackles the tough questions about the mystery of prayer and in the process comes up with a fresh new approach to this timeless topic. I have learned to pray as a privilege not a duty writes Yancey and he invites you to join him on this all important journey.

**They Have No Idea** Barbara Morrisey, 2023-01-06 They Have No Idea Love and Desperation in Mothering a Child with Severe Autism and Epilepsy is a powerful account of a mother's struggle to understand what it means to be a good mother to her child who struggles with both issues. In this book Barbara Morrisey bravely pulls back the curtain so others might catch a glimpse of what some families with special needs children experience. The author reveals the distress of learning her son's diagnosis the determined efforts she and her husband undertake on his behalf and the impact this has

on their family She describes the devastation of realizing that their efforts are futile and the heart wrenching process of deciding to seek an alternative care setting for their son The guilt of being unable to provide the level of care her son needs and the pain of watching his suffering intensify and his care needs increase over time drives her to wrestle deeply with her faith and perception of God It is Barbara s hope that families with special needs children will draw comfort from this book in discovering that their feelings of fear desperation and inadequacy at times are not unusual Those wanting to support these families through meaningful relationships church ministries civic programs or government policies are apt to find this book helpful as well
