*Why Men Don't Listen and Women Can't Read Maps* Allan Pease, Barbara Pease, 2004-01-13 Have you ever wished your partner came with an instruction booklet? This international bestseller is the answer to all the things you've ever wondered about the opposite sex. For their controversial new book on the differences between the way men and women think and communicate, Barbara and Allan Pease spent three years traveling around the world collecting the dramatic findings of new research on the brain, investigating evolutionary biology, analyzing psychologists studying social changes and annoying the locals. The result is a sometimes shocking, always illuminating and frequently hilarious look at where the battle line is drawn between the sexes, why it was drawn and how to cross it. Read this book and understand at last why men never listen, why women can't read maps and why learning each other's secrets means you'll never have to say sorry again.

*How to Satisfy a Woman in Bed* Charles Clinton, 2022-11-17 Women are incredibly enthusiastic about sex. It is one action that is beneficial to their mental health. A woman feels fulfilled after a sexual encounter. A woman feels like a true woman after an extraordinary sexual experience. One reason for this is that a woman will go to any lengths to cling to and adore a man who can sexually please her. There is the knowledge you need to have about the nature of a woman when it comes to sex. You need to understand why sex is a woman. In this book, you will find the complete truth about pleasing a woman sexually. It goes beyond sticking your penis into the vagina. You must understand how to get a woman's attention. Understand why sex is a woman before continuing. Learning how to stimulate a woman for a long time is essential. You must be able to handle the intricacies of the woman's physical makeup to contribute to her sexual fulfillment and happiness. To truly conquer fast ejaculation during sex with a lady and stay long in her eager vagina, you must first understand the causes of it. You will learn about all these things as you go through this book. *How to Satisfy a Woman in bed: The Magical Formula for Multiple Orgasms* Before creating this well-known book on *How to Satisfy a Woman in bed: The Magical Formula for Multiple Orgasms*, I spoke with close to 2500 women. Every single one of them had faked an orgasm during sex at some point in their lives, with 60% of them doing so every time. I discovered when I asked them about their pleasure with their sex lives. These women need a book designed for guys that explains why their women are staging orgasms and what they can do to stop it, not another fancy sex manual with intricate positions. Many of the assumptions men frequently hold about what a woman wants in bed are examined by Charles Clinton. He explains what repels women and what attracts them. The author also talks about the value of love and commitment in marriage, romantic fantasies and the advantages of excellent health for enhancing sexual energy. A more straightforward, down-to-earth manual on how to give and receive sexual pleasure has been written. You can use this book as a license to appease your beloved wife and girlfriend. When making love, a man is obsessed with numerous thoughts such as: Is she enjoying it? Is she staging the orgasm to boost my male ego? What if she meets a different man who is more effective at it? Do not worry; this book has got you covered because it teaches you how to discover every woman's erogenous zones, where and when to start after initiating foreplay and the best sexual positions that can give her multiple orgasms easily.

Once you follow the steps highlighted in this book your woman must acknowledge you as an actor in the game and always ask for more sex This book is an antidote to divorce and unpleasable sex     The Publishers Weekly ,2001
