**The Biographical Directory of the Railway Officials of America** T. Addison Busbey, 1896 *Born in Union Station*  
Elmo Adams, 2010-07-30 This book is aimed at an audience of family and friends The authors hope that their sons daughters  
nieces nephews and friends will gain an understanding of the places and times that affected them during their childhood and  
early years But also the authors hope that this little book may serve as a catalyst to others to take time to revisit the times  
and places where they grew up You may or may not want to write them down or record them on audio or video Whatever you  
do the authors believe that the mental snapshots that will come to mind will surprise you Some will be sharp and clear as if  
taken by a twenty first century digital camera Others will be wrinkled and blurred as if carelessly stored in a neglected desk  
drawer Whatever is recalled in whatever condition will lead not only to nostalgic recollection but to an enriching evaluation  
of our lives and the values of our culture History of Licking County, O., Its Past and Present Norman Newell Hill
