*American Sniper (Enhanced Edition)* Chris Kyle, Scott McEwen, Jim DeFelice, 2012-01-03 NOW A BLOCKBUSTER MOTION PICTURE DIRECTED BY CLINT EASTWOOD NOMINATED FOR SIX ACADEMY AWARDS INCLUDING BEST PICTURE This special enhanced edition features more than 10 exclusive videos with Chris Kyle and an additional 15 images and descriptions of the weapons used by the armed forces in their fight against terrorism overseas From 1999 to 2009 U S Navy Seal Chris Kyle recorded the most career sniper kills in United States military history His fellow American warriors whom he protected with deadly precision from rooftops and stealth positions during the Iraq War called him The Legend meanwhile the enemy feared him so much they named him al Shaitan the devil and placed a bounty on his head Kyle who was tragically killed in 2013 writes honestly about the pain of war including the deaths of two close SEAL teammates and in moving first person passages throughout his wife Taya speaks openly about the strains of war on their family as well as on Chris Gripping and unforgettable Kyle s masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time Please note that due to the large file size of these special features this enhanced e book may take longer to download than a standard e book      **The Films of Clint Eastwood** Matt Wanat, Leonard Engel, 2018-05-15 The indefatigable Clint Eastwood the great old man of American film is still controversial after all these years Many of the critical essays in this collection focus on Eastwood s 2014 *American Sniper* a particularly controversial film and a devastating personal account of the horrors of war Additional essays within the collection address his films that deserve more recognition than they have received to date The chapters vary by topic and identify themes ranging from aging race and gender to uses of Western conventions and myth to the subtleties of quieter themes and stylistic choices in Eastwood s body of cinematic work As a collection these essays show that none of these themes account for Eastwood s entire vision which is multifaceted and often contradictory dramatizing complex issues in powerful character driven narratives      [American War Stories](#) Brenda M. Boyle, 2020-11-13 *American War Stories* breaks down the American perception of wars and focuses on how and why we conceptualize the war story It is one of the first studies to ask readers to contemplate what constitutes a war story and how that constitution obscures the normalizing of militarism in American culture      *Combat Death in Contemporary American Culture* Agnieszka Soltysik Monnet, 2020-12-16 *Combat Death in Contemporary American Culture* Popular Cultural Conceptions of War since World War II explores how war has been portrayed in the United States since World War II with a particular focus on an emotionally charged but rarely scrutinized topic combat death Agnieszka Soltysik Monnet argues that most stories about war use three main building blocks melodrama adventure and horror Monnet examines how melodrama and adventure have helped make war seem acceptable to the American public by portraying combat death as a meaningful sacrifice and by making military killing look necessary and often even pleasurable Horror no longer serves its traditional purpose of making the bloody realities of war repulsive but has instead been repurposed in recent years to intensify the

positivity of melodrama and adventure Thus this book offers a fascinating diagnosis of how war stories perform ideological and emotional work and why they have such a powerful grip on the American imagination Behind the Scenes with Hollywood Producers Duane Byrge,2016-06-03 We know what actors do We know what writers do But what does a movie producer do other than arrange financing for films and accept Academy Awards Featuring in depth interviews with 14 top movie producers including eight who have won Oscars for Best Picture this book describes how they nurture a project from concept to casting to screen They are entrepreneurs essentially creating a new business every time they start work on a film They possess an array of skills and talents and the resilience and the fortitude to not take no for an answer The interviewees are Marc Abraham Tony Bill Albert Berger Ron Yerxa Clint Eastwood Taylor Hackford Mark Johnson Arnold Kopelson Alan Ladd Jr Michael London Fred Roos Paula Wagner Jim Wilson and Janet Yang **Storytelling for Film and Television** Ken Dancyger,2019-04-30 Storytelling for Film and Television is a theory and practice book which offers a definitive introduction to the art of storytelling through writing directing and editing Author Ken Dancyger provides a comprehensive explanation of the tools that underpin successful narrative filmmaking and television production The book takes a unique approach by connecting the different phases of the creative process of film and television production It shows how writing directing and editing all contribute to the process of storytelling and function together to advance the narrative goals of a screenplay to tell the best story A case study approach provides numerous examples of effectiveness and brings together the core areas of aesthetics and production to make these concepts more accessible Case studies include classic and modern films foreign films limited and series television with examples including Breaking Bad Game of Thrones The Revenant and Son of Saul This is the ideal text for film and television production students at all levels It is written in a style which makes it accessible to anybody interested in learning more about the storytelling process and is written for a global audience addressing a global industry **The Early Plays of Eugene O'Neill, 1913-1915** Paul Duane Voelker,1974 **Writing about Vietnam** Sandra M.
