Americas Frontier California Jess Browning:

America's Frontier Jess Browning, 2015-12-16 This book contains three short stories 1 Captain John England to Virginia 2 Caleb The Frontier Man and 3 Jeb His Family and History These short stories may be found as stand alone volumes but they are combined here since they represent a migration of characters across America's frontiers Since this work is historical fiction the author thought it was best to keep the facts straight however there is some embellishment about some of the people with regard to the characters The source for a lot of the material in the book comes from the historical non fiction works titled Captain John Browning A Family History in England and Virginia from 1255 to 1799 AD and Jess and His Family Their Genealogy and History **Gunsmoke and Saddle Leather** Charles G. Worman, 2005-12-15 The many roles played by guns in the old West with personal accounts by many early settlers and hundreds of photos **Who's who in America** John William Leonard, Albert Nelson Marquis, 1920 Vols 28 30 accompanied by separately published parts with title Indices and necrology *The American Indian in Graduate Studies* Frederick J.
