# Sociological Perspective Lesson Plan

**Edward Janak, Denise F. Blum**

## **Sociological Perspective Lesson Plan:**

*Teaching Strategies for the Social Studies* James A. Banks, Ambrose A. Clegg, 1977      **The Pedagogy of Pop** Edward Janak, Denise F. Blum, 2012-12-15 Media competes with public schools in terms of student engagement and time. However the two needn't be mutually exclusive. *The Pedagogy of Pop: Theoretical and Practical Strategies for Success* discusses a variety of strategies and approaches for using social and mass media as tools through which teachers might improve schooling. While there is a vast body of literature in this field, editors Edward A. Janak and Denise Blum have created a text which differs in two substantive ways: scope and sequence. In terms of scope, this work is unique in two facets: first, it presents both theory and practice in one volume, bridging the two worlds; and second, it includes lessons from secondary and postsecondary classrooms, allowing teachers on all levels to learn from each other. In terms of sequence, *The Pedagogy of Pop* draws on lessons from both historical and contemporary practice. The introductory section of Janak and Blum's collection presents a pair of papers that use somewhat different approaches to examine the historical roots of contemporary critique. Part I presents a series of chapters designed to provide guidelines and theories through which educators on all levels can think about their practice, focusing more on the why of their approach than the how. Part II presents a more hands-on approach by sharing a variety of specific strategies for incorporating pop culture in all its forms: technology, music, television, video games, etc. in both secondary and postsecondary classrooms. The conclusion shows the praxis of teaching with popular culture, presenting a counterpoint to current thinking as well as a case study of the best of what can happen when popular culture is applied effectively.

*Resources in Education*, 2000      **The Sociological Perspective** Scott G. McNall, 1974      *Understanding and Teaching Emotionally Disturbed Children and Adolescents* Phyllis L. Newcomer, 2003      **The Distance Learning Study**

**Guide for the Way We Live Telecourse/Distance Learning Course** Intelecom, 2005-07 *The Distance Learning Study Guide for The Way We Live Telecourse Distance Learning Course* The distance learning study guide is available through Prentice Hall and can be packaged with the Macdonald's brief and comprehensive introductory sociology textbooks. Society and Sociology. It includes an overview of the video episode assignments, learning objectives, key terms and concepts, video focus points, test focus points, critical thinking questions, and Test Your Learning sections that include multiple choice, short answer questions for review. Video component of course consists of 22 videos, 30 minutes each. Please contact your local Prentice Hall sales representative for more information about the video program. The Faculty guide is published by INTELECOM, the telecourse developer and includes a test bank for the video and text components, general information on the course as well as tips for teaching at a distance. The Faculty Guide is issued by INTELECOM once a course license is in place between the institution and INTELECOM. Closely correlated to Macdonald's Society brief and Macdonald's Sociology comprehensive textbooks.
