Nonprofit Mergers and Alliances Thomas A.

McLaughlin, 1996-02-23 After more than a century of proliferation and growth the nonprofit sector has reached a crossroads The continued success of an organization's mission no longer depends on fresh new programs and the extension of services but on innovative management and revitalized organizational structure The time has come for all nonprofits to consider mergers and alliances in their strategic plans For many this may seem a distasteful alternative after decades of Wall Street mergers made at the expense of workers communities and consumers but it doesn't have to be that way In *Nonprofit Mergers and Alliances* Thomas McLaughlin describes a context for nonprofit mergers and discusses the forces that shape their use He demonstrates that nonprofit mergers are fundamentally different from corporate mergers that they can be of immense benefit to the community as well as the merging organizations and that failure to merge can be disastrous for everyone McLaughlin focuses on the concerns of the nonprofit sector achieving the mission retaining tax exempt status behaving responsibly in the community He shows nonprofit managers and board members how to make their way through the merger process without repeating Wall Street misbehavior Using real world examples and case studies *Nonprofit Mergers and Alliances* offers clear practical step by step guidance through the merger process from preliminary considerations to actual implementation pointing out pitfalls and offering insightful commentary along the way This immensely helpful volume provides A penetrating discussion of the reasons to collaborate The C O R E TM model a merger alliance analysis framework Advice on partner selection Structure choice analyses Step by step guidance through merger and alliance processes A disk with forms and worksheets that any nonprofit can customize for its own needs Supplemented with easy to use checklists and analytical tables *Nonprofit Mergers and Alliances* helps nonprofit board members and managers make the right decisions monitor the entire process anticipate problems and find solutions quickly The information contained

in this book will help any nonprofit organization ensure the successful continuation of its mission in the immediate future as well as for years to come. We have two goals for this book. The first is to describe a context for nonprofit mergers including a discussion of the forces helping to shape nonprofits' use of mergers and alliances. It is important that nonprofit managers and board leaders be aware of both the similarities and the differences in their sector's merger patterns and techniques.

Ultimately a nonprofit sector that knows well how to collaborate will be far more effective in the pursuit of its public spirited mission. The second goal is to provide concrete guidance based on actual nonprofit mergers. From the author's Preface Tom McLaughlin thoroughly addresses the subject in his timely and excellent new book *Nonprofit Mergers and Alliances*. It is a must for every nonprofit professional and board member. Jere B. Ratcliffe, Chief Scout Executive, Boy Scouts of America. In a time when all nonprofit managers need to re-evaluate how to most effectively leverage the total assets of their organizations in support of their social mission, McLaughlin provides a comprehensive framework for understanding how to evaluate one's own organization and the tools needed to effectively link with potential partners. Jed Emerson, Executive Director, The Roberts Foundation. As the government continues to reduce both grants to and contracted services with nonprofits, some organizations are going to be forced to consider mergers and alliances. The key as Tom so rightly points out is to be prepared for change before there are no choices left. As usual, Tom is out in front of yet another business trend in the nonprofit sector.

Non Profit Strategic Planning Guide Introduction

In the digital age, access to information has become easier than ever before. The ability to download Non Profit Strategic Planning Guide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Non Profit Strategic Planning Guide has opened up a world of possibilities. Downloading Non Profit Strategic Planning Guide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Non Profit Strategic Planning Guide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Non Profit Strategic Planning Guide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Non Profit Strategic Planning Guide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Non Profit Strategic Planning Guide, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Non Profit Strategic Planning Guide has transformed the way we access information.

With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
