Fudge,2003 Grounded in primary source research this boldly revisionist book examines the doctrine of salvation in Oneness  
Pentecostalism United Pentecostal Church from its origins through its several developmental stages The gradual rise of a  
literal interpretation of Acts 2 38 eliminated a tradition of doctrinal diversity within Oneness thought which regarded  
salvation as occurring at repentance prior to water and Spirit baptism With this development a main link to the wider stream  
of evangelical Christianity was severed The water and Spirit theology resulted in a form of Christianity which does not  
necessarily require the cross in any meaningful sense for salvation This study recovers the lost theological tradition  
associated with important figures such as Howard A Goss A D Gurley W M Greer C H Tadon Wynn T Stairs Earl Jacques E P  
Wickens John Paterson and the Pentecostal Church Incorporated Combining traditional historical methodology and  
theological research with the principles of a broadly based oral history this study argues for a theological diversity within the  
history of Oneness Pentecostalism and in so doing bridges an important gap in the history and theology of the United
