## American Oratory Day Classic Reprint:

American Oratory of To-Day (Classic Reprint) Edwin Du Bois Shurter, 2015-07-12 Excerpt from American Oratory of to Day This work differs from most collations of oratorical selections in two particulars first it is truly American representative of ail parts of the country secondly the addresses are by present day speakers on live subjects Hence there will be found herein many names not heretofore included in books of this nature and the speeches furnish an instructive and suggestive exposition of contemporary thought on various subjects The book is intended for the citizen who is interested in the public discussion of questions of the day and for teachers and students in our schools and colleges who are looking for new up to date declamations A fuller representation of American public speakers will be given in subsequent volumes and to this end the editor would be glad to receive suggestions as to speakers not included in the present volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**American Oratory** A. Member of the Philadelphia Bar, 2018-01-14 Excerpt from American Oratory Or Selections From the Speeches of Eminent Americans No apology can be required for presenting to the American public a volume of Speeches selected from the best efforts of their own statesmen Public discussion is elsewhere the province of a few in our country it is the duty of almost all It is not only desirable there fore but absolutely necessary that all should have at hand those models which the peculiar character of our institutions the tone of our national thought and the exigencies of our history have combined to produce Foreign orators may serve as examples of style but the inhabitants of a republic must seek at home for the intellectual results of the government they have chosen and for the illustration of those principles by which it is to be sustained If they cannot always find the same refinement of language or the same elaborateness of thought which in older countries is the result of hereditary wealth and more scholastic education they will discover at least a vigorous and masculine diction patriotic sentiments and un inching independence the appropriate attendants upon themes for the most part grave and frequently severe About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Best American Orations of To-day**

,1903 It has been the aim of the editor to collect in this volume the best thoughts of the best Americans of this distinctively notable period in the history of our own Nation men who are most prominent in its affairs and who stand as the highest types of honesty intelligence and useful citizenship for the emulation of the youth of our land Provided by author in preface

**Nineteenth-Century African American Speeches in Britain and Ireland** Hannah-Rose Murray,Celeste-Marie Bernier,2024-03-31 This is the first anthology of eighty speeches by forty two world famous and under researched African American freedom fighters liberators and human rights campaigners living and working in Scotland Ireland Wales and England in the nineteenth century Their pioneering and revolutionary works are supported by an in depth introductory essay author biographies scholarly annotations and detailed bibliographies All these human rights orators testify to their lifelong fight for freedom across their radical and revolutionary works All their lives they warred against the sufferings and horrors of enslavement as a centuries old cursed institution Words are weapons in their fight for Black liberation Across their life s works they all protested against the rise of the spirit of slavery in white supremacist and white racist US and British transatlantic societies

[The Best American Orations of Today \(Classic Reprint\)](#) Harriet Blackstone,2016-07-23 Excerpt from The Best American Orations of Today The speeches of Webster Clay Pitt Patrick Henry Calhoun Lincoln Beecher and many others are to be found in almost every Speaker and Reader now published They have been de claimed for years from every school platform in the country and with most inspiring in uence Andrew Draper says The old time school declamation on recurring red letter days in the regular routine of the early schools was a great stimulant to boys and girls It was not more in the words that were heard than in the fact that the boys themselves gave expression to them It is the doing of things which stirs ambition and creates power even the doing of things which some one else has done There are plenty of men prominent in affairs who would gladly testify to the uplifting in uences of the master pieces of oratory and literature on their own lives by means of the school declamation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Leslie M. Harris, 2023-11-29 A new edition of a classic work revealing the little known history of African Americans in New York City before Emancipation The popular understanding of the history of slavery in America almost entirely ignores the institution's extensive reach in the North But the cities of the North were built by and became the home of tens of thousands of enslaved African Americans many of whom would continue to live there as free people after Emancipation In the Shadow of Slavery reveals the history of African Americans in the nation's largest metropolis New York City Leslie M Harris draws on travel accounts autobiographies newspapers literature and organizational records to extend prior studies of racial discrimination She traces the undeniable impact of African Americans on class distinctions politics and community formation by offering vivid portraits of the lives and aspirations of countless black New Yorkers This new edition includes an afterword by the author addressing subsequent research and the ongoing arguments over how slavery and its legacy should be taught memorialized and acknowledged by governments

**The Humanity Archive** Jermaine Fowler, 2023-02-28 This sweeping

survey of Black history shows how Black humanity has been erased and how its recovery can save the humanity of us all Using history as a foundation The Humanity Archive uses storytelling techniques to make history come alive and uncover the truth behind America's whitewashed history The Humanity Archive focuses on the overlooked narratives in the pages of the past Challenging dominant perspectives author Jermaine Fowler goes outside the textbooks to find recognizably human stories Connecting current issues with the heroic struggles of those who have come before us Fowler brings hidden history to light Praise for The Humanity Archive From the African Slave Trade to Seneca Village to Biddy Mason and more The Humanity Archive is a very enriching read on the history of Blackness around the world I was hooked by Fowler's storytelling and would recommend others who want to pore over a book that outlines critical moments in history without putting you to sleep Philip Lewis Senior Editor HuffPost Fowler sees historical storytelling and the sharing of knowledge as a vocation and a means of fostering empathy and understanding between cultures A deft storyteller with a sonorous voice Fowler's passion for his material is palpable as he unfurls the hidden histories Vanity Fair Born in Louisville Kentucky Jermaine Fowler is a storyteller and self proclaimed intellectual adventurer who spent his youth seeking knowledge on the shelves of his local free public library Between research and lecturing he is the host of the top rated history podcast The Humanity Archive praised as a must listen by Vanity Fair Challenging dominant perspectives Fowler goes outside the textbooks to find recognizably human stories Connecting current issues with the heroic struggles of those who've come before us he brings hidden history to light and makes it powerfully relevant
