American Sniper Problematic:

The Films of Clint Eastwood Matt Wanat, Leonard Engel, 2018-05-15 The indefatigable Clint Eastwood the great old man of American film is still controversial after all these years Many of the critical essays in this collection focus on Eastwood's 2014 *American Sniper* a particularly controversial film and a devastating personal account of the horrors of war Additional essays within the collection address his films that deserve more recognition than they have received to date The chapters vary by topic and identify themes ranging from aging race and gender to uses of Western conventions and myth to the subtleties of quieter themes and stylistic choices in Eastwood's body of cinematic work As a collection these essays show that none of these themes account for Eastwood's entire vision which is multifaceted and often contradictory dramatizing complex issues in powerful character driven narratives

Modern American Snipers Chris Martin, 2014-12-16 Most people think of snipers as shooters perched in urban hides dealing out death unseen from a considerable distance But this description barely scratches the surface The author explains that special operations snipers are men with stacked skill sets who have the ability to turn the tide of battles even when they aren't pulling the trigger These are the most experienced warriors on the battlefield oftentimes the units' best assaulters with years of door kicking under their belt These are the men who run ops in small teams across borders or dress like locals and pull off high risk vehicle reconnaissance and singleton missions in non permissive environments Dust jacket flap

A Global Racial Enemy Saher Selod, Inaash Islam, Steve Garner, 2023-11-28 Prejudice against Muslims has a long and complex history In recent decades discrimination violence and human rights abuses against Muslims have taken a significant turn with rising reports and discussions of Islamophobia across the globe However much of the conversation has missed the key features of this increasingly insidious phenomenon This original book puts race at the center of the analysis exposing the global racialization of Muslims With special attention paid to the United States China India and the United Kingdom the authors examine both the unique national contexts and crucially the shared characteristics of anti Muslim racism They uncover how a range of counterterrorism policies from hyper surveillance to racialized policing and the ensuing representation of Islam have taken a decisive role in shaping social life for Muslims and have worked across borders to justify and institutionalize an acceptable state sponsored face of racism Ultimately *A Global Racial Enemy* argues that anti Muslim animus is a symptom of a global and powerful form of twenty first century racism

Going Scapegoat David A. Buchanan, 2016-09-12 Since 9/11 war literature has become a key element in American popular culture spurring critical debate about depictions of combat Who can write war literature When can they do it This book presents a new way to closely read war narratives questioning the idea of combat gnosticism the belief that the experience of war is impossible to communicate to those who have not seen it that has dominated the discussion Adapting Kenneth Burke's scapegoat mechanism to the criticism of literature and film the author examines three novels from 2012 Ben Fountain's *Billy Lynn's Long Halftime Walk* David Abrams's *FOBBIT* and Kevin Powers' *The Yellow Birds* that represent the U
