Anointing For Healing:

Partners in Healing Frank Ramirez, 2005 Healing is a gift and not a right The prayer of faith is powerful but the most faithful prayer of power was that of Jesus in the garden of Gethsemane on the eve of his great ordeal Father if you are willing remove this cup from me yet not my will but yours be done Luke 22 42 Anointing cannot guarantee healing If it could it would border on magic and would imply that we in some way control God s actions God is in control of history and healing It is God who invites us to join into a community of prayer through the ordinance of anointing excerpt from *Partners In Healing* Though there are countless instances of anointing in the Bible it is seldom practiced in many Christian traditions today But this essential rite reminds us that God is the true source of restoration and healing and that he is at work in all aspects of our lives Anointing affirms and symbolizes our partnership with God and it invites God to be part of the healing process for anyone who is sick physically emotionally or spiritually *Partners In Healing* is a complete guide with all the resources you need to revive this ancient practice as part of a comprehensive ministry of healing In addition to exploring the biblical and historical background for anointing you ll find a wealth of practical easy to use material There s an extensive range of services and prayers as well as sermons you can use to introduce this ministry to congregations unfamiliar with it Discussion questions and activities are also included making this an excellent resource for small group study Frank Ramirez is an author and pastor in the Church of the Brethren who has written numerous books articles and short stories A graduate of the University of LaVerne and Bethany Theological Seminary Ramirez has served congregations in Indiana and California and is currently pastor at Everett Church of the Brethren in Everett Pennsylvania His other CSS titles include *He Took A Towel* *Gabriel s Horn* *The Christmas Star Coming Home* *A Call To Worship* and *Lectionary Worship Aids* [The Bible and the Anointing of the Sick \(A Catholic Biblical Theology of the Sacraments\)](#) Michael Patrick Barber, 2025-07-22 The Catholic Biblical Theology of the Sacraments series provides readers with a deeper appreciation of God s gifts and call in the sacraments through a renewed encounter with God s Word In this addition to the series Michael Barber offers a biblical approach to anointing of the sick drawing from both the Old and New Testaments This book unpacks the riches of the Scriptures to explain what true healing in Christ involves In addition Barber demonstrates how an exegetical approach to the sacrament can advance our understanding of it Topics include the biblical significance of oil the relationship of physical healing and spiritual healing including the forgiveness of sins sin and death Christ as the New Adam the continuation of Jesus s ministry in the church the power of sacral anointing Christ s fulfillment of messianic hopes and participation in Christ s royal priestly and prophetic mission The book is suitable for classroom use and parish ministry Series editors Timothy C Gray and John Sehorn teach at the Augustine Institute Graduate School of Theology and Gray is also president of the Augustine Institute [Anointing for Healing](#) Melanie Hemry, Gina Lynnes, 2007 Demonstrates the healing power of God through many miraculous testimonies and the significance of the use of anointing oil for healing Provided by publisher **The Healing**
