

Study Guide: The Outsiders

Answer Sheet

Chapter 1

1. Who is the narrator of *The Outsiders*?
The narrator of *The Outsiders* is Ponyboy Curtis.
2. What two groups of teenagers does Ponyboy describe? Compare the two groups.
One group described by Ponyboy is the greasers. As the name suggest, they wear grease in their combed back hair and live in a poorer area. They are a family like gang that fight with each other but always have each other's backs. The other group described by Ponyboy is the Socs who live in a nicer area of town and seem to have everything handed to them. They are cold and held down by the rules of their society.
3. Why did the Socs beat up Ponyboy?
Ponyboy knows not to walk around by himself. He was seen doing so leaving a movie theater and, because he is a greaser, was ganged up on by a couple of Socs and beaten.
4. Why did Ponyboy have a hard time with his oldest brother?
Darry became the father figure for Ponyboy after their parents died. Being in the caretaker role made Darry harsher on his youngest brother and although he only cared about him, Pony thought they had nothing in common.
5. How are Ponyboy and his friends like you? Different than you?
Ponyboy and his friends spend a lot of time together and have certain understandings about each other. They are different in that my friends don't carry around switch blades or get into physical fights with each other.
6. Why do you think the author uses non-standard English?
The author communicates through the language of the different social classes to juxtapose how the greasers speak versus the standard language used by the Socs.

Chapter 2

1. Where do the Socs and Greasers hang out? What do they do for fun?
The Socs and greasers hang out at drive in movies. For fun they get drunk, fight, spend time with girls and hang out.
2. How do the Greasers learn more about the Socs?
Ponyboy is invited to sit next to a Soc girl named Cherry and they form a connection over sunsets. She talks to him about how things are on her side of the world throughout the book.
3. What kind of rules do gang members follow in fights?
There are agreed upon rules of what weapons are allowed as well as no fights before the big fight.
4. How could Cherry be a problem for Dally?
