As the Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes, this set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

**The Mercurial Mark Twain(s)** James L. Machor, 2023-03-15. Who was Mark Twain? Was he the genial author of two beloved boys' books, the white-haired and white-suited avuncular humorist, the realistic novelist, the exposé of shams, the author repressed by bourgeois values, or the social satirist whose later writings embody an increasingly dark view? In light of those and other conceptions, the question we need to ask is not who he was but how did we get so many Marks? Twains. *The Mercurial Mark Twain's Reception History and Iconic Authorship* provides answers to that question by examining the way Twain, his texts, and his image have been constructed by his audiences. Drawing on archival records of responses from common readers, reviewer reactions, analyses by Twain scholars and critics, and film and television adaptations, this study provides the first wide-ranging, fine-grained historical analysis of Twain's reception in both the public and private spheres from the 1860s until the end of the twentieth century.
