There is not anything to translate.,2021-09-07 When Harper wakes up that morning with a headache and prepares to get dressed to go to her little brother s graduation ceremony she does not imagine that that same day a handsome gentleman with an enigmatic look and a flirtatious smile will cross her path and that will dazzle her completely as soon as she sees him sitting in that subway car One thing will lead to another and in a matter of minutes a pair of new acquaintances will surrender to their desires in the bathroom of a subway station For him Daniel Ansdell it will be one more experience one of so many he has had throughout his life He is a very confident man with extensive experience in lovemaking arts with a strong obsession for sex He is uninhibited cheeky and very direct when it comes to asking for what he wants And although in the eyes of any lady he is perfect he is not the type of man that a father would wish for his daughter For her part Harper is not a white dove but she is not a veteran in love matters either Her complicated life has led her to consider a couple of priorities And having a romantic relationship is not among them She is a fun woman without prejudice but with many responsibilities Together they will have to face a series of emotions and feelings that will emerge in the midst of a whirlwind of passions She will not be able to understand why that man awakens her most primitive side It will be very difficult for him to recognize that she has taken over his thoughts and his will Limerence y Frenzy is a love novel full of eroticism It is a cocktail of sensations A story that will make it clear that love is not sought it simply comes and when it does it fucks us without mercy
