*A Scientific and Popular Treasury of Useful Knowledge* Alvin J. Johnson & Son, 1880      The Asian Development Bank's Knowledge Management in Action Asian Development Bank, 2021-12-01 This book documents ADB's knowledge management journey since 1966 and looks at how the bank has emerged as an increasingly valuable knowledge advisor to its developing member countries. It tracks the evolution of ADB as a platform for sharing ideas, knowledge and experience on key development challenges in Asia and the Pacific and beyond. To showcase some of ADB's knowledge management successes, the book presents 42 knowledge solutions across 10 sectors.

**The Role of Knowledge Transfer in Open Innovation** Almeida, Helena, Sequeira, Bernardete, 2018-09-07 The ways in which codified and tacit knowledge are sourced, transferred and combined are critical in furthering open innovation. When used effectively, knowledge sharing and organizational success are significantly increased, improving products and services. *The Role of Knowledge Transfer in Open Innovation* is a collection of innovative research on a set of analyses, reflections and recommendations within the framework of knowledge transfer practices in different areas of knowledge and in various industries. While highlighting topics including tacit knowledge, organizational culture and knowledge representation, this book is ideally designed for professionals, academicians and researchers seeking current research on the best practices for transfer of knowledge as an intermediate open innovation.

**Current Law**, 1905      *The Lawyers Reports Annotated*, 1910      *The Banking Law Journal* Edward White, 1912 A journal devoted to banking law and practice for bankers and bank attorneys. Includes articles, notes on court cases and summaries of legislation.

**Case Studies in Knowledge Management** Jennex, Murray E., 2005-04-30 *Case Studies in Knowledge Management* provides rich case-based lessons learned from several examples of actual applications of knowledge management in a variety of organizational and global settings. A variety of KM issues are explored, including issues associated with building a KMS, organizational culture and its effect on knowledge capture, sharing, re-use, strategy and implementation of KM initiatives and a KMS. The benefit of focusing on case and action research is that this research provides an extensive and in-depth background and analysis on the subjects, providing readers with greater insight into the issues discussed.

Digest of the United States Supreme Court Reports, 1928      *The Railway and Corporation Law Journal*, 1888

*Governing And Managing Knowledge In Asia* Thomas Menkhoff, Hans-dieter Evers, Yue Wah Chay, 2005-05-06 Latest Edition *Governing and Managing Knowledge in Asia* 2nd Edition The spread of knowledge is a significant consequence of the process of globalization. Knowledge is used to tackle very diverse issues such as development challenges in emerging markets or the perplexity of corporate decision makers in the business world. The creation and proper governance of actionable knowledge and intellectual capital have become key preconditions for sustained societal and corporate competitiveness in an era of rapid globalization. This represents new opportunities and challenges for policy makers, business leaders, managers and employees in both public and private sector organizations. This new book examines both the theoretical and practical aspects

of effective knowledge governance and knowledge management in the context of an increasingly competitive globalised marketplace Several case studies of Asian countries and organizations are presented aimed at analyzing factors that impact the governance of knowledge and exemplifying practices policy makers and business leaders adopted to manage knowledge resources and knowledge processes to their fullest potential This unique compilation may be used as textbook in undergraduate courses on knowledge management and organizational learning as well as by those interested in development issues and Asian studies It also provides a rich learning resource for respective graduate courses and executive education programs

**Knowledge Management in Libraries and Organizations** Leda Bultrini,Sally McCallum,Wilda Newman,Julien Sempéré,2015-12-18 The management of knowledge created in an organization not only enables reuse of knowledge but also adds value to the organization itself Preventing duplication of intellectual effort it saves economic and human resources leading to the creation of new information This book gathers the wisdom of knowledge managers and researchers in the context of the library and will be a valuable reference source for all libraries
