

... "These relationships have been well known within the geological literature for many years, although perhaps somewhat less well known to general audiences than other geological or biological relationships and associations."

**What additional steps should be taken to communicate research of Peacock Bay?**

**Genevieve:** "I think the key thing is to communicate research in a way that is accessible to the general public. I think the research is important, but it needs to be communicated in a way that is accessible to the general public."

**What are the challenges in communicating research to the general public?**

**Genevieve:** "The challenge is that the research is often quite technical and it's not always easy to explain it in a way that is accessible to the general public."

**Are there any other challenges in communicating research to the general public?**

**Genevieve:** "I think the challenge is that the research is often quite technical and it's not always easy to explain it in a way that is accessible to the general public."
