Skilled Chicago surgeon Ethan Roddick abandoned his wolf heritage and elitist parents when heartbreak tore his world apart. He swore never to let love sink its fangs into him again, but when a meaningful family commitment lures him home to Stoke Ridge, his determination is tested by Gabriel Mendoza, a sexy human with soulful dark eyes and the voice of a bourbon-soaked angel. Pressured by his parents to mate to a suitable shifter of course and preferably a female, Ethan is instead drawn to the sassy singer whose heat seems destined to heal the rift between his two halves. As passions rise, so too do tensions, and anyone who's not a predator becomes by default prey. Can these fated mates fight old clan prejudices and find their future together? *The Healing Female in the German Courtly Romance* Peter Meister, 1990 *Healing The Child Within* Kelly Wallace, 2015-01-25 I never realized how many of my problems and life's obstacles were rooted in childhood. Thank you, Kelly, for showing me how to change everything. Bonnie, I did every exercise in this book and felt like Kelly was with me each and every step of the way. I cried, I laughed, I raged, and I have now embraced a wonderful new life where my adult self is in control. Wow, Denise! How I wish this book had been written decades ago. It would have saved me so many of the hardships I've been through. Kelly's book is clear, concise, friendly, and extraordinary. I've recommended it to all my friends. Carol: The main reason you haven't realized your true potential and accomplished your dreams is because you have a poor relationship with your inner child. You're split off from this little person that was you many years ago. When you divide yourself this way, you're never really whole, and these two parts of you are

always working against one another You think you re an adult guiding your life along but nothing could be further from the truth Throughout this book we ll look at various ways your younger self was misguided and poorly programmed and ways to open up communication and heal her You ll forge a new and better life path that will get you where you want to go You ll rewrite the early childhood life script you ve been reciting all these years and release outworn beliefs that were firmly put into place by your caregivers It will take time and patience but you ll learn to love and protect that precious part of you so you can work together at last though you ll be the one in the driver s seat from now on And now your journey begins
