victory Oluseyi Simeon, Therefore those who display ignorance concerning spiritual warfare will continue to be casualties on the field of battle D K Olukoya 101 Weapons of Spiritual Warfare Having been hindered and battered by battles of life I carelessly and ignorantly assumed I was a victim of circumstance I latter found out that those circumstances were not mere coincidental but battles put by some people using occultic powers and supported by some evil gods I thank God it was not too late for me before I realized that I was at war Had I known this before I would have approached those situations differently God preserved my life though and did not allow those battles to waste my life The Book put in perspective some battles we saw in the scriptures that probably thought were ordinary They were battles between Gods The people of the world are careful to go to battles with their gods Children of God should not be careless to do otherwise God is ready to fight our battles only if we involve him David said for the battle is the LORD S 1 Samuel 17 45 47 NIV Practical life examples have been shared to give vivid picture of what the scriptures described in those situations that have been mentioned And the parts to take in those battles that is required for anyone who wants God to fight for him or her A Christian who wants God to fight his or her battle cannot afford to live carelessly The book is an eye opener for Christians who are going through some issues of life to reappraise their situations and consider that they are not involve in battles with some gods It would be better to approach such situations appropriately by handing them over to God Dealing with the Secret Poison in Your Life Dr. D.
