That's why I'm providing bonus scenes and extras from several of the A Family Affair books I loved writing these scenes and now I want to share them with you. Enjoy Nate Christine's Wedding A Family Affair Wouldn't you like to know what Nate Desantro was thinking right before he married Christine? For a man of few words there was a lot going on in his head. And how about discovering Harry Blacksworth's thoughts as he prepares to give Christine away? That's definitely one you won't want to miss. Lily is still one of my favorites and she'll warm your heart with her innocent and yet spot on observations about the wedding life and love in Magdalena. Always a Heartbeat Away A Family Affair Summer I started A Family Affair Summer several times as I tried to get a feel for Tess and her backstory. I knew it would involve heartache just as I knew that deep down she still loved Cash. But the rest I wanted to find a way to take her as far from the life she thought she'd have as possible. Initially that involved a calm quiet man and a dog named Henry. That storyline changed and I decided not to use it but it's a great bonus scene to let you see the possibilities maybe even wonder how the story might have been different. Who is Sasha Rishkov A Family Affair The Secret What if Angie Sorrento's father turns up in Magdalena to visit his daughter and risks running into the only woman he's ever loved Angie's mother the one she thought died years ago. He'll come so close to discovering the truth. The Future Godfather A Family Affair The Wish This is a conversation you won't want to miss. Pop tells Harry that when the time comes Harry will be the new Godfather of Magdalena and he'll make a darn good one. Of course Harry doesn't agree. When Harry meets Stephanie A Family Affair The Gift Harry Blacksworth is nobody's fool and while he might once have been the playboy good for nothing younger brother of Charles he's come into his own as a well respected and generous member of Magdalena's community. When Cash and Tess hit a roadblock named Stephanie Richmond Harry's not going to let anything jeopardize their happiness. Don't miss When Harry Meets Stephanie and read firsthand how he deals with the woman who thinks she can leverage a child to gain security. The Real Stephanie Richmond A Family Affair The Gift. And because first drafts and ideas change I'm including a scene I once considered using for the storyline. In this version Stephanie isn't as soft and guileless as she appears in the final version of the book but straightforward and intent on letting Cash know exactly what she wants. While I like the final outcome this is still an interesting read and portrays Stephanie Richmond's true personality. Who's in the Cabin A Family Affair The Cabin Nate and Christine Desantro head to the cabin one last time before they sell it and discover an uninvited guest. Elissa Cerdi has snuck away to the Blacksworths cabin for quiet and a chance to consider her future with or without a controlling ex boyfriend. Her innocent and trusting ways prevent her from seeing that she's put herself in danger by choosing a secluded cabin. Of course Nate and Christine aren't about to risk her safety even if she was Gloria Blacksworth's friend and confidante.

Heartache Betrayal Forgiveness Redemption It's time to head back to Magdalena New York and spend a little time with the people we love to love and even a few we love to hate. A lot has happened since readers left town in A Family Affair Winter Bree Kinkaid is dealing with heartache and betrayal the only way she can deny. Her friends can't help

her she won't listen to her parents and she rejects offerings of support and sympathy from the town as she attempts to hold onto that magical life she wanted. But when a stranger shows up at Bree's doorstep with information about her husband, she can't pretend any longer. And in case you were wondering what happened to Gloria Blacksworth's notebook, it's still resting in Nate Desantro's desk drawer, but not for long. Gloria might be dead, but the notebook continues to leak distrust and ill will into the community, and someone's got to stop it. There might be only one person in town equipped for the job, any guesses? We've also got a new man in Magdalena, one badly in need of a second chance. Grant Richot sprinted through life, a boy wonder with talent, intelligence, confidence, and charm. He never doubted the world awaited him, just as he never doubted the right woman would come into his life, but only when he was ready for her. Anyone before that was simply preparation for the one. How wrong he was. Years and a tragedy later, Grant arrives in Maggie Finnegan's hometown of Magdalena, New York, broken, uncertain, and searching for that second chance with the woman he cast aside. But Maggie's no longer naive and impressionable; she's a confident, competent widow with a child who has more at risk than another broken heart. Note: For a richer A Family Affair reading experience, make sure to read Pulling Home, Book One of That Second Chance series. It is the prequel to A Family Affair: The Promise, where you'll learn Grant Richot's story. Big, dark secrets about his family are revealed in this book, but that doesn't mean he knows about them, but it also doesn't mean the reader can't know, right? See you in Magdalena.
