## **John Von Wicht 1888-1970 The Way To Abstraction:**

**It's Abstraction, Concretely** John McGreal, 2017-02-21 John McGreal's three new books *It's Abstraction*, *Concretely*, and *It's Representation Really* continue the *It Series* published by Matador since 2010. They constitute another stage in an artistic journey exploring the visual and aural dialectic of mark, word, and image that began over 25 years ago. Emerging out of the first books on the *Bibliograph* published in 2016, initiated with *It's Nothing Seriously*, these new texts retain some of the same structural features. The *Bibliographs* contain the same focus on repetition and variation in meaning of their dominant motifs of representation, abstraction, and figuration, which have framed philosophical discourse on epistemology and ontology in aesthetics. Their chance placement in each *Bibliograph*, interspersed with one another, displaying and enhancing similarities and differences. At the same time, these works constitute a development in the aesthetic form of the *Bibliograph*. In earlier works on *Nothing*, *Absence*, and *Silence*, it was just a question of finding and transferring given textual references from their source to construct their *Bibliographs*, with the focus being on the strategic position of the latter within each book. In these new works, the concern has been with working on the line and shape of the references themselves, with their enhanced spatial form as well as that of each *Bibliograph* as a whole. In shaping and spacing the referential images, the place of words and letters became as important as their semantic to read in a new way on diverse contemporary issues across conventional boundaries in the arts and sciences at several levels of physical, psychical, and social reproduction. **Art**

**American Abstract Art of the 1930's and 1940's** Robert Knott, Wake Forest University. Fine Arts Gallery, 1998 After attending Wake Forest University on an athletic scholarship, J. Donald Nichols played professional baseball with the Baltimore Orioles. From there, he went into the real estate development business. He has built more than 175 shopping centers throughout the country, and his company, JDN Realty, is listed on the New York Stock Exchange. Nichols first began collecting American Impressionist paintings in the 1970s, buying one painting as his personal reward for each shopping center he built. After ten years, he began looking for a new area in which to collect. The J. Donald Nichols Collection is now recognized as perhaps the finest collection of American abstract art of the 1930s and 1940s ever assembled. German Americana
