## **Behind The Gates Of Gomorrah:**

Behind the Gates of Gomorrah Stephen Seager,2014-09-16 Seager was no stranger to locked psych wards when he accepted a job at California's Gorman State hospital known locally as Gomorrah but nothing could have prepared him for what he encountered when he stepped through its gates Unit C where Seager was assigned was reserved for the mass murderers serial killers and the real life Hannibal Lecters of the world This account of his rookie year blends memoir with a narrative science explaining both the aberrant mind and his own determination to remain in a job with a perilously steep learning curve

**Behind the Gates of Gomorrah** Stephen Seager,2018-01-02 An extraordinary eye opening look behind the razor wire into life inside the walls of one of the most notorious hospitals for the criminally insane a hellish world inhabited by mass murderers serial killers and other figures from our nightmares

## **High Yellow...But a Black Woman**

**Forever More!** Deborah Cofer,2006-09 Boy has this been one heck of a spiritual journey Little did I know that the path leading to the Kingdom of God would take me into and through the bowels of hell but I made it there and back All I can say is thank God for God His goodness grace and mercy From the Introduction to High Yellow But A Black Woman Forever More A Poetic Anthology of a Spiritual Journey It is said that to know one's self is the key to reaching new horizons and maximizing human potential and it's true But truly knowing one's self without knowing one's spiritual identity is akin to a person who is physically blind driving a car It's absolutely impossible In High Yellow But A Black Woman Forever More A Poetic Anthology of a Spiritual Journey author Deborah M Cofer highlights her efforts and sacrifices as she explores her inner self others and the world around her Every poem is its own unique story of bringing to the surface hashing out understanding and making peace with struggle in order to arrive at new heights in her evolution both as a woman and as a member of the human race

*Golf Is from Satan* T. Patterson,2001-01-22 Born of a seething near psychotic indifference to golf that was transformed during its writing into the nihilistic and passionate obsession of a student in a Parisian school for acrobats and clowns Golf is From Satan is the first book about golf that seeks and tells the truth about a game that longs to ascend to the heavens of public imagination on the singed wings of demons This book sings instructs will send the reader into convulsive fits of nervous laughter save or send the reader to hell then finally and suddenly yield up the hidden secrets of the universe And it's just a golf book that admittedly has little to do with golf itself

### **Behind The Faith**

Tony Mariot,2018-10-17 We should not base our beliefs on some emotional experience we had which we cannot really explain with any substance other than to attribute the experience to something we want to believe was spiritual or God inspired This choice belief and faith should not be an unexplainable gut feeling or some thought shrouded in a cosmic concept of God that is neither specific nor explainable Neither should we hide behind peer pressure that makes us feel guilty if we denied having any real belief in the existence of God at all None of these aspects are the basis to knowing anything let alone foundations of a faith The question then becomes how do we know what is true and what to believe on the ground where we live What are the facts and what is folklore How can we know for certain This writing is intended to discuss what is biblically spoken of behind the faith of what Christians believe It is not however about conspiracies in the church or an attempt to air any dirty laundry The book of Revelation was chosen as the principle text of this discourse because it is intermingled throughout Scripture like no other It provides seamless segues that will open up opportunities to address other related questions in Scripture as we examine what is behind the faith
