

# Chapter 1: A New World

## The First Americans

*What were the major patterns of Native American life in North America before Europeans arrived?*

### The Settling of the Americas

- 15,000-60,000 years ago, people came across the Bering Strait
- 11,000 years ago, food supply diminishes as animals (woolly mammoths and bison) become extinct
  - Low food supply = lower population
- 9,000 years ago, agriculture develops making civilizations possible (until then they were nomads following food supply)

### Indian Societies of the Americas

- Southern American civilizations were more developed than the Northern Americans
  - Cities, roads, irrigation systems, extensive trade networks, large structures such as pyramid temples
  - **Tenochtitlan**: the capital city of the Aztec Empire
    - 250K population
    - Built on marshy islands on western side of Lake Texcoco (present day Mexico City)
  - Inca Kingdom centered in modern day Peru
    - 12M population
    - Complex system of roads and bridges that extended 2,000 miles along Andes Mountains
  - North American Indians lacked technologies of the Europeans
    - metal tools, gunpowder, scientific knowledge for long distance navigation, literacy
    - Europeans used their lack of technologies or "backwardness" as justification for conquest

### Mound Builders of The Mississippi River Valley

- Native Americans constructed a large community on a series of giant semicircular mounds on a bluff overlooking the Mississippi River (in present day Louisiana called Poverty Point)
  - Commercial and governmental center whose residents established the trade routes throughout the Mississippi and Ohio River valleys
- "Mound Builders": Ohio River valley residents had traded across half the continent
- **Cahokia**: (Present day St. Louis), City center of the Mississippi River valley residents
  - Mounds up to 100 ft. high
  - 1<sup>st</sup> developed civilized community in the North
  - From years 1200-1800 it was the largest settled community (NY and Philadelphia become larger in 1800s)

### Western Indians

- Hopi and Zuni in present day Arizona
  - Region peaked between years 900-1200
  - Built multiple-family dwellings local canyons in well planned towns, built dams and canals to gather and distribute water, conducted trade with groups as far away as central Mexico
    - Largest dwelling was Pueblo Bonito in Chaco Canyon, NM: 5 stories high, 600 rooms
  - Drought caused them to move south and east
    - Established villages and perfected desert farming
- In 16<sup>th</sup> century, Spanish named them Pueblo Indians because they lived in Pueblos (small villages)

## American Odyssey Edition 10 Chapter Notes:

**Eric Hoffer** Tom Bethell,2013-09-01 Drawn from Eric Hoffer's private papers as well as interviews with those who knew him this detailed biography paints a picture of a truly original American thinker and writer Author Tom Bethell interviewed Hoffer in the years just before his death and his meticulous accounts of those meetings offer new insights into the man known as the Longshoreman Philosopher    [Black Refugees in Canada](#) George Hendrick,Willene Hendrick,2010-03-16

Thousands of black people sought refuge in Canada before the U.S. Civil War. While most refugees encountered at least some racism among Canadian citizens, many of those same refugees also thrived under the auspices of the Canadian government, which worked to protect blacks from the U.S. slaveowners who sought to re-enslave them. This work brings to light the life stories of several nineteenth century black refugees who managed to survive in their new country by gaining work as barbers, postal carriers, washerwomen, waiters, cab owners, ministers, newspaper editors, and physicians. The book begins with a short historical account of blacks in Canada from 1629 until the early 1800s when the first groups of escaped slaves began to enter the country    **The Nation** ,1882    **The American Bookseller** ,1884    **Saturday Review** ,1887    **The Athenaeum** ,1896    **Publishers' circular and booksellers' record** ,1898    **Bookseller and the Stationery Trades' Journal** ,1913
